

## Celebrating Womanhood

Submitted by Prashasti shreshtha

Vice chair @ WIE Affinity group, Jamia Hamdard, New Delhi

On 5th march, Women In Engineering (IEEE) Jamia Hamdard organized an event, Celebrating Womanhood, to celebrate the achievements of women working in the fields of interest of IEEE and also gather information about the status of women in technology and science. It was attended by 60 students who were majorly female. The event was commenced by giving a warm welcome to the Pro-

Vice Chancellor Dr. Ahmed Kamal. Speakers for the day were *Ms. Meenu Maggon* (Managing Director and CEO of *Kaunsiurge*), *Ms. Vinita Bakshi* (Author of the book *31 aging miles* and Founder of *Aambrotsav*), *Prof Ranjit Biswas* (Dean- SEST) and *Prof M. Afshar Alam* (HoD- SEST). This was followed by an enlightening speech given by all of the respected speakers where they shared their experiences and thoughts with the students. The event ended by a wonderful speech by *Dr. Parul Aggarwal* (Coordinator- IEEE JHSB)

This event was followed by a competition sponsored by "ETRAIN" India which is an ecommerce company. In the competition students had to write a detailed startup idea that they had in their mind, explaining the issues they might face and the positive factors of the startup. This competition helped in promoting entrepreneurship among female students. While the first and second prize winners were both from food

technology department, the third prize was a tie between three students. The students had a wonderful experience.

**Technozova 2019**

The importance of Technozova lies both in technical events and fun activities. From past many years, IEEE Jamia Hamdard Student Branch worked passionately for the two-day tech-fest- Technozova 2019. It is a truly remarkable achievement for WIE and IEEE JHSB which organized the multifaceted annual event in 2019. The event observed the launch of third edition of the annual magazine *MindSpark Vol.3*.

## EVENTS UNDER TECHNOZOVA DAY- 1 (9<sup>th</sup> April 2019)

### LAUNCH OF IEEE JHSB'S ANNUAL MAGAZINE MINDSPARK

Launching of the third edition of the annual magazine MindSpark Vol.3 was a tremendous step taken by WIE and IEEE JHSB. The volume brought a positive wave of transformation and innovative ideas. It reflects the achievements and inspiring shots by the students of Jamia Hamdard. The ceremony was conducted in the presence of Syed Ehtesham Hasnain (Vice Chancellor, Jamia Hamdard).

### SPARK TALKS

Spark Talks was a wonderful event. The live talk with the most successful personalities in different areas of professions was an amazing chapter in the history of Technozova. The talks were experiment-based and practical. The speakers were Sandeep Jain (Founder at Geeks of Geeks), Cpt. Shalini Singh (Indian Army and Miss India Queen), Simran Khosla (Fitness and Nutrition Expert), Geetika Sehgal (Author, Mentor and Speaker) and Suresh Mansharamani (Motivational Speaker).

### DUMB CHARADES

WIE and IEEE JHSB organized a non- technical event Dumb Charades at the department of computer science and engineering. The team were divided in 4-5 students. The preliminary round was extremely entertaining, with the teams having to guess one movie and one personality each. With a large audience and curious onlookers, the game was carried to the end. The team were very talented and displayed their acting skills. The winning team was awarded. It was an enjoyable experience for the students.

EVENTS UNDER TECHNOZOVA DAY- 2 (10<sup>th</sup> April 2019)

### **WORKSHOP ON DATA SCIENCE**

WIE and IEEE JHSB conducted a workshop on Data Science in association with Aprtron Pvt. Ltd. The workshop aimed to enlighten the students about the deep learning in data science and its processes. It was designed to address the core knowledge and skill area of data science practices. It provided a great opportunity to the future Data Scientist aspirers. The students dealt with every day data problems and explored the possible applications and latest inventions on Data Technology. The venue was packed with students and the workshop was successful.

### **TECHNICAL QUIZ**

A technical quiz was organized on the second day of Technozova 2019. It was based on the latest technologies invented by the greatest inventors. The quiz provided the unusual and positive satisfaction and the desire to learn more. The entry was free and the prizes were distributed at the end of the quiz. It was a very knowledgeable event organized in the best manner.
