

## WIE IEEE event report

On 13th February 2020, WIE ESUT Student Branch in conjunction with IEEE ESUT Student Branch conducted an awareness program at ICT center/306B Faculty of Engineering, Enugu State University of Science and Technology (ESUT).

The mission was to encourage and help girls in Engineering and other Science-based professions to be part of the organization and also to be proud of her profession.

We had four speakers that spoke on different topics ranging from the role of women in Engineering, the reasons to join IEEE /WIE at the grassroots level, creativity and skill set developments. Speakers are distinguished lecturers and also members of the prestigious organization IEEE and affinity group WIE. Names of the speakers are Mr. Godwin Ozor, 2019 awarding winner of the prestigious IEEE outstanding counselor and advisor award, he was instrumental to the formation of the IEEE WIE ESUT Student Branch, Ms. Chioma Oleka, the advisor of the IEEE WIE ESUT. Dr. Anthony Nnaji and Ms. Nneka Eze.

After the joint program which records around 183 students in attendance, the female students and their advisers went on another round of meeting which was exclusive. The attendance recorded about 57 students.

We thank the WIE for their support in all our programs. We received a start-up fund from the Nigeria Branch and it helps us the event.
