

## IEEE WIE Day – Frequently Asked Questions (FAQ)

## Overview

IEEE Women in Engineering (WIE) Day is a global celebration that honors the achievements, contributions, and impact of its members in engineering and technology. It's a day to unite, uplift, and inspire future generations through events, storytelling, and community engagement. Whether you're a student, professional, or an IEEE Senior Member, WIE Day is your opportunity to make a difference.

**2026 IEEE WIE Day - 23 June -7 July**

**Theme: *Technology with Purpose: Innovate Responsibly, Inspire Globally, Lead with Integrity***

- Who can participate in WIE Day?

- IEEE WIE Affinity Groups and Student Branch Affinity Groups are strongly encouraged to take an active role in organizing events throughout the WIE Day celebratory period. These events provide a valuable opportunity to foster collaboration, and engage local communities.
- All IEEE WIE members are invited to participate in these celebrations and are encouraged to extend the invitation to peers, colleagues, and students—especially those who are not yet members—to join in the experience and learn more about the WIE community.

➤ How can I host a WIE Day event?

You can organize an event through your local IEEE WIE Affinity Group, Student Branch, or Region. Events can be in-person, virtual, or hybrid.

Note: You may collaborate with other Affinity and Student Branch Affinity Groups.

➤ What types of events are encouraged?

- Case Study Sessions
- Panel Discussions (e.g., Responsible AI, Integrity & Automation)
