About IEEE WIE

IEEE Women in Engineering (WIE) is a global network of IEEE members and volunteers dedicated to promoting women engineers and scientists and inspiring girls around the world to follow their academic interests in a career in engineering and science.

This vibrant global community of 50,000+ members (males and females), collectively use their diverse talents to innovate for the benefit of humanity and facilitate the recruitment and retention of females in STEM.

IEEE Women in Engineering membership

extends beyond engineers; our members represent diverse disciplines within STEM including,

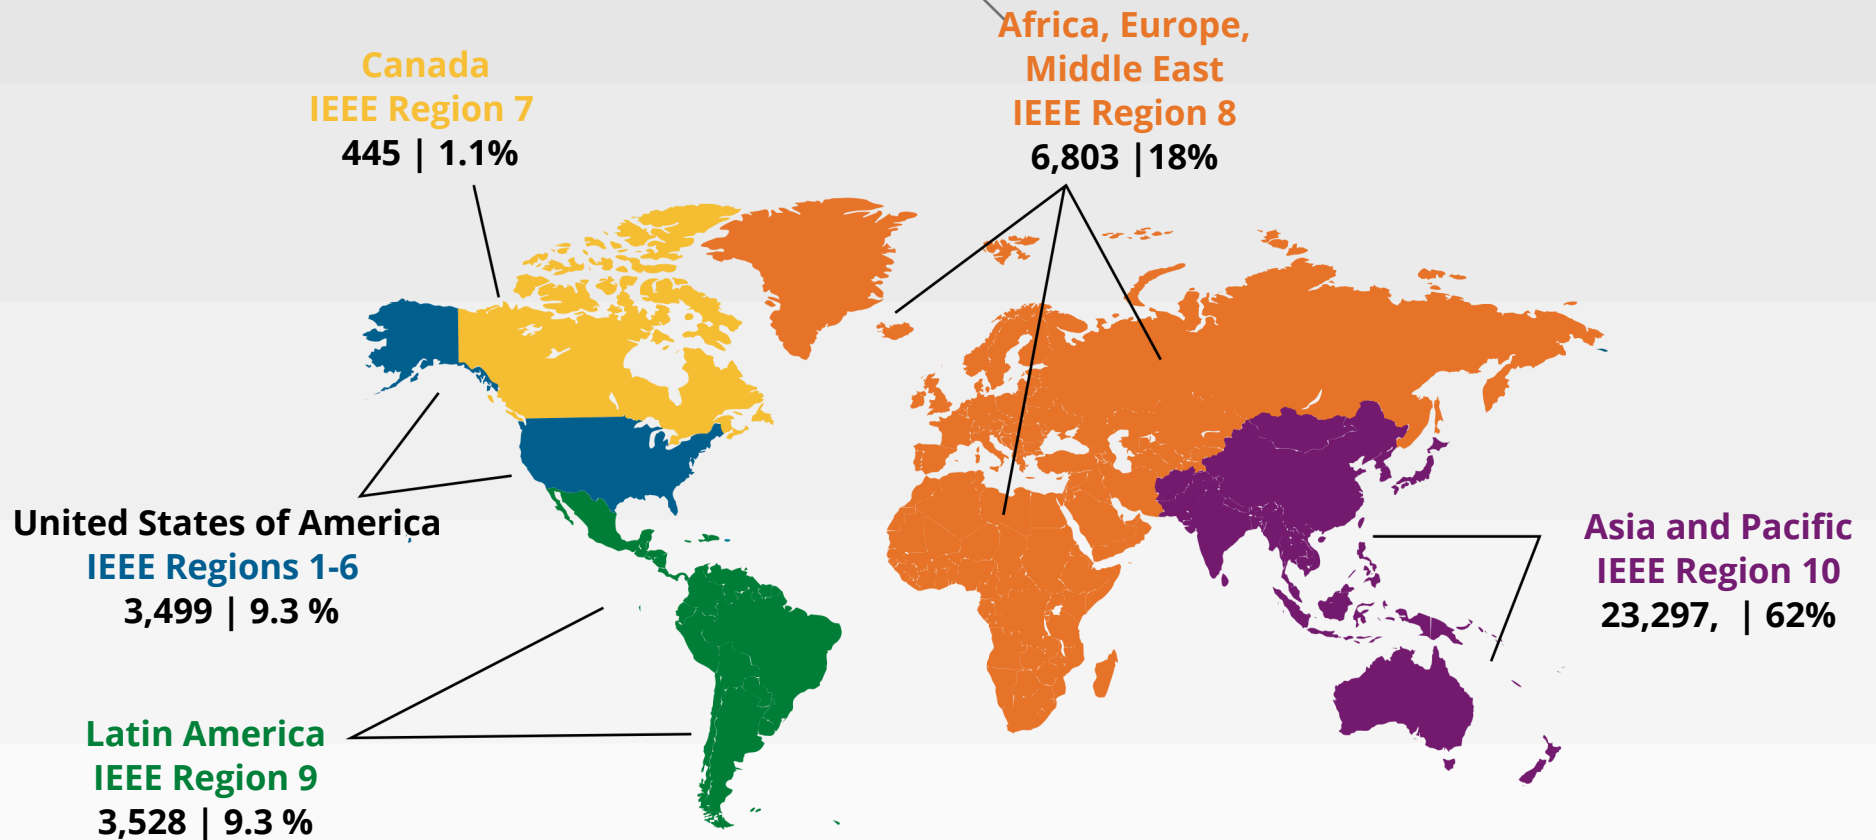

Not Just for Engineers!

- Technical Communications
- Education
- Management
- Law & Policy, & Others
- Engineering
- Computer Sciences & IT
- Mathematics
- Physical Sciences

WIE Membership by Region

As of August 2024

Our Events

International Leadership Conference

IEEE Women in Engineering International Leadership Conference (IEEE WIE ILC) provides professional women in technology, whether in industry, academia, or government, the opportunity to create communities that fuel innovation, facilitate knowledge sharing and provide support through highly interactive sessions designed to foster discussion and collaboration. IEEE WIE ILC focuses on providing leading-edge professional development for mid to senior-level women.

The 10th IEEE WIE International Leadership Conference
San Jose, California, USA
15-16 May 2025

Please reach out to wie-staff@ieee.org with your sponsorship interest.

International Leadership Summits

IEEE Women in Engineering International Leadership Summits (ILS) provide regional opportunities to foster networking, mentorship, and collaboration. With the leadership and creativity of IEEE WIE volunteers, WIE Summits have been extremely successful and have made an outstanding impact on communities around the globe!

2025 ILS Locations

Region 4

- Twin Cities, MN, USA – Dates TBD

Region 7

- Toronto, Canada – 20 – 21 September

Region 8

- UK and Ireland – Dates TBD
- Brest, France – 4 – 5 – 6 September
- Amman, Jordan – 6 December
- Gliwice, Poland – 1 – 3 June

Region 10

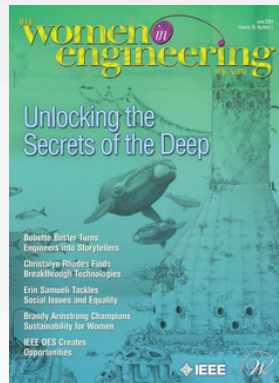

- Kerala, India – 11-12 July
- Lahore, Pakistan – 7-8 April

IEEE Women in Engineering Award-Winning Bi-Yearly Magazine

Multiple-award-winning magazine showcasing women's career trajectories and inspirational stories

"Winner of Apex Awards for Publication Excellence"
 "Recognized with the 2023 American Graphic Design Awards for Publication Design by Graphic Design USA"

Print and digital versions circulated to all WIE members worldwide - 49,000

“IEEE WIE has provided me with numerous opportunities and helped me in expanding my network. Being a recipient of the Honorable Mention for the IEEE WIE Inspiring Student Member of the Year Award, I can very well say that WIE provides opportunities to everyone and anyone working for the mission of women empowerment. I highly encourage my colleagues to become a part of this wonderful family.”
